

June 2005 Update

The Department is completing its review of the comments made during the small group meetings held from October 2004 through December 2004. It is anticipated that the first task force meeting will be held the first part of October. Please watch for notice of this meeting on the OTC rules website.

The Department will be emailing the individuals who indicated they would like to serve on the task force to see whether they are still available. As soon as the task force list is finalized, it will be posted on the OTC rules website.
